Schedule	Sunday, November 11 / 10:00 - 15:30																							
Room	1st floor										2nd floor										3rd floor			
	Entrance area		Reception / Info	Drone			Space		Robot		Chemistry & Physics		Tech room		IT room		Biology & Geology		Music & Art		Primary 1st Class A	Primary 1st Class B	Primary 2nd	Primary 3rd
Type	Workshop	Exhibition	Enrollment information desk	Workshop	Workshop	Exhibition	Display / Activity	Workshop	Workshop (max. 5 students)	Display / Activity	Show (max. 20 pax)	Display / Activity	Workshop (max. 8 pax)	Display / Activity	Workshop (max. 6 pax)	Display / Activity	Workshop (max. 6 pax)	Display / Activity	Workshop (max. 6 pax)	Display / Activity	-	-	Presentation	-
Age requirement	All	All	All	Kinder - Primary 3rd	Primary 4th -	All	All	Kinder - Primary	Kinder - Primary	Kinder - Primary	Kinder - Primary	All	Primary	All	Primary	All	Primary	All	Primary	All	-	-	All	-
10:00 -10:15	Soap bubble				Drone×Programming Trial Lesson Max: 6 pax			Planetarium stars tonight (20min.) Max. 20 pax	Programming session Max. 5 pax		Chemistry Science show Max. 20 pax		Tinkercad Design Workshop Max. 8 pax											
10:15-10:30																	Heart dissection Max. 6 pax							
10:30-10:45				Learn to Fly Max: 8 pax				Planetarium night sky: 4 seasons (20min.) Max. 20 pax															Movie screening “Most Likely to Succeed” Max. 20 pax	
10:45-11:00									Programming session Max. 5 pax						Programming with Pepper Max. 6 pax				Electric drum Max. 6 pax					
11:00-11:15								Planetarium stars tonight (20min.) Max. 20 pax									DNA extraction Max. 6 pax							
11:15-11:30																								
11:30-11:45	Soap bubble				Drone×Programming Trial Lesson Max: 6 pax			Planetarium night sky: 4 seasons (20min.) Max. 20 pax	Programming session Max. 5 pax		Chemistry Science show Max. 20 pax													
11:45-12:00																	Feeding time Max. 6 pax							
12:00-12:15													Tinkercad Design Workshop Max. 8 pax											
12:15-12:30		Aquaponics Hydroponics Biotope Aquarium	Enrollment information desk	Learn to Fly Max: 8 pax		The best drones of 2018	Interactive block “SHAKE SYNC”			Programming toy		Chemistry activities Physics display		3D Printing Dobot		VR, AR Suphero coding game Scratch coding		Animal display Fossil display	Electric drum Max. 6 pax	Art Pon Human music instrument				Mother’s room
12:30-12:45																								
12:45-13:00															Programming with Pepper Max. 6 pax									
13:00-13:15	Soap bubble				Drone×Programming Trial Lesson Max: 6 pax			Planetarium stars tonight (20min.) Max. 20 pax	Programming session Max. 5 pax		Chemistry Science show Max. 20 pax													
13:15-13:30																								
13:30-13:45				Learn to Fly Max: 8 pax				Planetarium night sky: 4 seasons (20min.) Max. 20 pax					Tinkercad Design Workshop Max. 8 pax				Heart dissection Max. 6 pax							
13:45-14:00									Programming session Max. 5 pax															
14:00-14:15								Planetarium stars tonight (20min.) Max. 20 pax			Chemistry Science show Max. 20 pax													
14:15-14:30															Programming with Pepper Max. 6 pax									
14:30-14:45	Soap bubble				Drone×Programming Trial Lesson Max: 6 pax			Planetarium night sky: 4 seasons (20min.) Max. 20 pax	Programming session Max. 5 pax								DNA extraction Max. 6 pax							
14:45-15:00																			Electric drum Max. 6 pax					
15:00-15:15								Planetarium stars tonight (20min.) Max. 20 pax			Chemistry Science show Max. 20 pax													
15:15-15:30
